STATS	9003	Enrolment - MSc in Data Analytics	-	-	-	-	-

Academic Year 2021-22

Programme Master of Science
Main Field(s) of Study Data Analytics

Course		Description	Level	Credits	ECTS Credits	Grade	Grade Points
STATS	5029P	Statistics Project and Dissertation	11	60	30	A5	18

Final Award of Master of Science, with Distinction

Awarded on 08 April 2022

5 Qualification - Function and Access to Further Study

This qualification may allow access to further study (at SCQF Level 11 or 12) subject to the individual requirements of the institution concerned.

The following professional bodies or institutions have accredited this qualification:

MSc in Data Analytics
Royal Statistical Society
http://www.rss.org.uk

6 Additional Achievements

Students at the University of Glasgow have the opportunity to engage in extra-curricular activities which may contribute to the life of the University and the wider community as well as to their own personal and professional development. The achievements reported here have been verified by the University of Glasgow.

Formal verified records of additional achievements were first collected for academic session 2011-12. Achievements prior to this will not show here.

None Verified

7 Certification

Date of Transcript	30/04/2022
Authentication	David Keenan
Capacity	**Head of the Registry**
